(IMprove PRESentation Skills)

**BY THE DOCTORS
FOR THE DOCTORS**

Knowledge is power

Communication is the key

*If you can speak, you can influence,
If you can influence, you can change lives!!!
Knowledge is power, sharing the knowledge is divine!!!*

IMPRESS

Improve PREsentation Skills

December 10th, 2017, Sunday

Guest Speaker : Dr Sumathi Narayanan

President-Creative Communication & Management Center
Chennai

A Center for Personal and Professional Excellence has been in the field of training and development for over three and a half decades.

An ardent learner, she is a powerful speaker, trainer and leader. She enjoys conducting her workshops and her strength lies in innovating and customizing programs to suit organization's culture and needs. Her workshops are highly interactive. She has the flexibility to build rapport with all levels of participants, draw them out and motivate them to realize their potential. Her mission in life is to share Life Skills to the lesser privileged students or institutes serving them. She strongly believes in helping people develop and realize their potential.

Key note address : Prof Mohammed Rela

Director-Institute of Liver Disease & transplantation,
Gleneagles Global Hospitals

Prof. Mohamed Rela who is well known in medical fraternity not just for his surgical skills but also for his excellent presentation skills and who has spoken in several national and international forums will address the audience on the importance of presentation and communication skills and will share his inputs on how to create an impact with a powerful presentation.
